SUMMARY

Digital design student specializing in human-centered prototyping and content creation, with hands-on experience creating assistive technology solutions adopted by real users. Skilled in Figma, Adobe Creative Suite, and CAD tools, with a track record of leading interdisciplinary creative and technical teams.

EDUCATION

Bachelor of Arts in Digital Narrative and Interactive Design, Dean's List, GPA: 3.8 Expected April 2029
University of Pittsburgh - Pittsburgh, PA

- **Relevant Coursework:** Innovating for Public Impact (Graduate Level), Human Centered Systems, Integrating Writing and Design, Narrative and Technology, Digital Photo Studio

PROFESSIONAL EXPERIENCE

Innovation Center Assistive Technology Student Intern May 2025 - June 2025
Inglis House - Philadelphia, PA

- Designed and prototyped a custom modified laptop grip for a user with limited mobility using SolidWorks and Fusion360, iterating through 3 versions based on user feedback; final device was adopted for daily use
- Assisted with therapeutic programming for people with disabilities, gaining insight into accessibility and user needs

Lifeguard / Swim Instructor June 2026 - August 2026
Burn Brae Day Camp - Willow Grove, PA

- Designed and delivered lesson plans for children ages 3-15 across various skill levels
- Maintained a safe environment by enforcing facility rules and monitoring for potential hazards
- Certified by American Red Cross in lifeguarding, CPR, AED, and first aid

PROJECTS

Taskly, A Roommate Task and Expense Tracker - SteelHacks

- Identified friction points in shared household task management and developed website using Java alongside 4-person team

Upper Dublin Computer Science Showcase - Senior Culminating Project

- Crafted a cohesive brand identity, delivering a responsive website, social assets, and marketing collateral, driving 300+ attendees

ACTIVITIES & LEADERSHIP

WPTS Pittsburgh Radio
Student Staffer for Content, Production, News, and Engineering | University of Pittsburgh August 2025 - Present

- Produced and engineered audio content
- Created on-air liners
- Conducted Man-on-the-Street interviews
- Co-wrote published article "Pizza, Pinball, and Playing the Right Tunes" (WPTS Website)

Upper Dublin Latin Club Sept 2021 - June 2025
President, Head of Social Media and Outreach, Chief Newspaper Editor

- Grew club Instagram to 450+ followers (15% growth in one month)
- Curated, edited and published student-run Latin Newspaper twice per year.
- Planned fundraisers raising $500+, inter-district events, and field trips

Upper Dublin High School and Sandy Run Middle School Theatre Department Sept 2021 - June 2025
Head of Visual/Audio Engineering Team

- Managed audio systems throughout rehearsals and performances
- Curated sound effects, projections, and backing tracks.
- Trained younger students on audio/visual equipment.

SKILLS
